

**COMB BUSBAR  
ELBB-PIN-1P**

# Comb Busbar

## ELBB-PIN 100A

### General

ELBB-PIN comb busbars meet the global certification and are also applicable to miniature circuit breakers meeting the global standard. The maximum rated current can reach 100A, and can be cut to the required length separately.

### Features

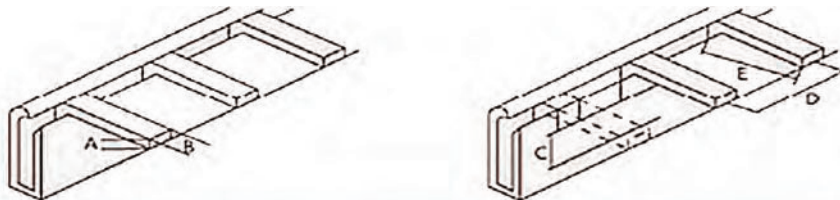

- 1P/3P options
- Good conductivity
- Convenient installation to enhance the efficiency of customer use.
- low contact resistance
- Flexible cutting to meet individual customer needs.
- Safe and reliable performance comb busbar.

### Applications

- Industrial panels
- Home panels

### Applications

#### PIN 1P

Specification	Model	A	B	C	D	E	Reference current
PIN	1P	1.5	4	9	17.8	11.5	80A
PIN	1P	1.8	4	9	17.8	11.5	100A

#### PIN 3P

Specification	Model	A	B	C	D	E	Reference current
PIN	3P	1.5	4	9	17.8	11.5	80A
PIN	3P	1.8	4	9	17.8	11.5	100A
