# SMART HOME WIFI SOCKET

## ELWS-EU 16A

### General

Fully integrated smartLife WIFI socket to switch loads on/off quickly and easily by tuya smart mobile application or manually.

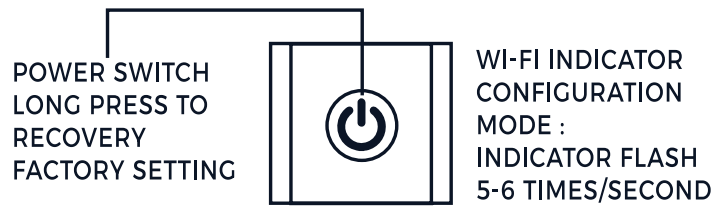

### Application

Home applications  
Commercial application

### Features

- Timer programmable control
- Countdown switch control
- power meter function
- power indicator
- children protector
- ground pin
- Each socket can be controlled alone (2-way type)

### Technical data

Parameter	Data
Types:	1-way / 2-way
Rated voltage:	230 VAC
Rated current:	16A
Maximum Power:	Up to 3680W/230V~(Resistive)
Rated frequency:	50-60Hz
TUYA frame	platform
WIFI module:	WB2S/CB2S
Wireless Type:	2.4GHz
Operating Humidity:	≤85%RH
System Support:	iOS/Android
Operation Temperature:	-10C ~ +40C
Certificates:	CE, RoHS2.0, REACH, PAHS

### Overall and dimensions
